## Invite parents in one click

Our 'Invite Parents' feature lets you copy & paste email addresses from your customer base, leads or waitlist and invite them to use Hopping In.

## It markets openings for you

As soon as spots open up in a room, Hopping In notifies other parents who may want that spot.

## Parents browse & book

Our self-service calendar displays available spots to parents so they can book and pay instantly.

## Loaded with benefits

### Reward Staff

Offer teachers a bonus from your Hopping In profits, motivating staff to embrace the program.

### Motivate parents to help

Tuition-based parents can report upcoming absences. If their spot is rebooked, they can earn a partial tuition credit.

### Coupon Codes

Incentivize customers by giving a discount off their bookings on hoppingin.com

### One tap waitlist

Customers can be added to the waitlist by tapping dates they need. Hopping In will notify parents that people want their spots if they'll be absent.

### Sell full days & half days

Maximize your earning potential by offering half day and full day booking options.

### Cater to modern parents

Today's parents are seeking more flexible childcare options. They'll appreciate you adapting to their needs.
